

## English Targets

We would also like to take this chance to inform you of our whole school initiative in English. Every child in school is working on individual English targets. We have 3 different sets in Class 1.

Your child is currently working on one of the following sets of targets:

- I can write simple sentences and I can join some of with words such as: *and, then, so, but, because*.
- I remember to use capital letters and full stops in the right place in my sentences and I use question marks at the end of question sentences.

OR

- I can write simple sentences and join some with *and, but*.
- I can start my sentences with capital letters and finish them with full stops.

OR

- I can begin to use a capital letter to start my sentence and a full stop to end it.
- I can use the sounds I know to help me write *CVC* words in my sentences.

If you have any questions please do not hesitate to pop in after school.
