Sex and Relationship Education: Each summer term we run a short programme of sex education for pupils in Years 4, 5 and 6. This year the meeting has been scheduled for after school on **Wednesday 6th June.** The meeting will take place in Year 4's classroom.

Swiss Students: Three Students from a teacher training college in Switzerland will be joining us for the last week of June and first week of July. **We still need host families.** We would like to place students individually to give them the experience of speaking English. There is a payment of £150.00 to help cover costs involved. If you can help please let the office know.
