From the Headteacher:

Star Work

Congratulations to our Star Workers of this week whose work is on display in pride of place in the centre of the school. *Harriet Matthew, Jerome Barrs-James, Charlotte Fillis, Lizzie May, Katie Anderton, Hannah McCann and Georgiana Glasspool.*

OAP Lunch

On Wednesday this week, twenty two pensioners enjoyed getting together to eat lunch at school, cooked by Mrs Rowsell and the Kitchen Staff. The meal was served by pupils in Year five, and Mary has congratulated them for their very good attitude and willingness to help others. Pupils from Year five and six entertained the visitors with songs and dances from their Action Track Project.

Ted's Big Day Out

We have enjoyed getting to know each other's Teddies at school today, and most of them have behaved well! Thank you for your contributions to the Royal United Hospital appeal. Pupils have helped with counting the money and we have raised £120.44.

Website

The school website, at www.staldhelms.co.uk, has been up-dated this week, so if you have Internet access at home, take a look! There is information on your child's class as well as pictures and news about special projects. The newsletter is uploaded every week and previous letters are available too. (If you would like to receive your newsletter by email, please let the office have your address.)

Community Message

I have been asked to let you know that several new trees on Glebelands have been damaged. Children have been seen removing the protective covers and using the sticks to play with. This has allowed deer to get to the young trees and damage them. I know that our children care about the environment and will be sorry that this has happened. I hope you will be able to support this message, which also will be given in school.

Jan Stallard

DOULING HARVEST HOME

7PM SATURDAY 13th OCTOBER
in the VILLAGE HALL

3 Course Meal with entertainment

Tickets in advance:- Adults £6.00 – Children under 16 £3.00
