

Our core Christian values

These are some of our core Christian values – part of our daily life in school. Children are given regular opportunities to explore these values and reflect on how they relate to their own lives.

Our partnerships

- Children regularly plan and lead services in our village church. Local clergy lead school worship termly.
- We are part of a local community and value relationships with our village and local schools.
- We actively seek to work in partnership with parents and carers, sharing and celebrating children's achievements together.
- Our children are encouraged to look outwards at what community means nationally and worldwide.
