We wish to recruit a full-time teacher to teach a Year 5 class, from January 2021. The Governing Body is actively seeking applications from strong all-round practitioners. This post would be suitable for someone with a passion to engage and positively impact children in primary education. Applications from teachers with experience will be very welcome. This post is not suitable for NQTs.

We are looking for someone who:

- relishes primary teaching
- is a positive, reflective practitioner, with secure subject knowledge and a 'can do' attitude
- has high expectations of learning behaviours and is keen to work with all children
- is committed to providing a rich curriculum so each child experiences life in all its fullness
- is supportive of the distinctive Christian ethos of our church school
- may have the potential to lead a subject area, that will inspire colleagues and children to achieve

What we can offer you:

- You will be joining a school judged Ofsted 'Good' (03/ 2016), and SIAMS Outstanding (11/2016)
- The chance to work with great children: they are kind, motivated and reflective learners
- A workplace where 'risk-taking' in learning is encouraged, and where we use professional dialogue to share and develop what we do for the good of our children
- A team with a range of experience, who are supportive and willing to adapt their practice
- A single year group class, with experienced TA support
- Blocked PPA time (1/2 day each week)
- Professional development through regular training and time to reflect and develop personally

We know you'll get a good picture of us if you see our school in action, however we are not able to offer tours at this time. Please visit our website or social media pages to find out more about us. Please contact the School Office on 01749 880376 if you wish to have an informal chat with the Headteacher, prior to submitting an application form.

Please refer to the person specification when completing the standard application form. Your personal statement within the application form should be no longer than 2 sides A4, Arial font 12; please give us a clear flavour of your teaching ethos, values and strengths and any subject leadership experience you may have.

Completed applications should be returned to the Headteacher, Pippa Cohen, by email to staldhelmsoffice@educ.somerset.gov.uk, by midday Monday 7th December 2020.
