There are seven areas of learning and development that shape our educational programme in our Early Years setting at St Aldhelm's VA Church School. All areas of learning and development are important and interconnected. These three Prime areas are particularly important for building a foundation for igniting children's curiosity and enthusiasm for learning, forming relationships and thriving. These are the **Prime Areas**: Communication and Language, Physical Development, Personal, Social and Emotional Development. We also support children in the four specific areas, through which the three prime areas are strengthened and applied. The **Specific Areas** are: Literacy, Mathematics, Understanding the World and Expressive Arts and Design.
